

DANCEZING NEWS

Can you help please?

I would really appreciate it, if you enjoy your dance classes, if you could take a few minutes to jot down what you like about line dancing and why you come along. Please add any other comments that you think may be useful to people who are thinking of trying it but have never line danced before. I would really like to be able to add these comments to my website.

Please could you email them to me before Monday 9th May to nicola_zuaiter@yahoo.co.uk or write them down, if you prefer, and give them to me at class.

The names of those who submit comments will be put into a draw and the winner will receive 2 x 1 hour free dance classes 😊

Thank you xx

Please ensure that we have up to date contact details for you in order to ensure that I keep you up to date 😊

Class closures / cancellations & other class information will also be noted on the website and on the Dancezing facebook page.

Thank You for your support

Without your support the Social Nights would not happen. They are a great opportunity for you to get together with your fellow class members and to meet new people too. It's good for you to practice the dances that you have learned and also to watch other dancers. The atmosphere is fun and friendly. If you haven't been to one of our social nights before, why not come along to the next one? Hope to see you there xx
