DANCEZING NEWS

Dance + Laughter + Friends

The magic ingredients that combined make a great evening. You can now take a look on our website to see photos and videos of our Summer Social. Fond memories to make you smile or for those of you who haven’t joined us at one of our socials yet – an insight into what we get up to 😊

Line Dancing with the W.I.

We had a fabulous evening with Caterham Hill WI on 13th July – we received such a warm welcome and the ladies were really keen to give line dancing a go. It was great to see such enthusiasm 😊

Leslee Hallett, (president of Caterham Hill WI), posted a message on facebook after our visit stating:

“We had a brilliant time. I can honestly say it was one of the best meetings since we started! Thank you Nicky Zuaiter and your amazing dancers”

Thank you so much to everyone who came along to demo our dances and to show how fab line dancing is. Your sense of fun and your passion for line dancing is infectious. I really appreciate your support so much and guess what……….we’ve been booked by Chaldon WI and Old Coulsdon WI too ;)}

Design a T-Shirt
Get your creative thinking caps on!
There will be a prize for the person who comes up with the best idea for a Dancezing club t-shirt.
Submit your designs before 15th September.
If your design is chosen, it could end up for sale as the official club T-shirt 😊

Summer Class Timetable
From 21st July through to the end of August, the class timetable will be subject to change, due to holidays and venue closures. I have managed to hire an alternative venue in order to keep more classes open & Carmen will be covering some classes for me while I’m away 😊

You can check class dates at the following link:
http://dancezing.co.uk/wp-content/uploads/2017/06/2017-7-Dates.pdf

I have also summarised class times and venues on the following page.
The dance programs for Monday 6.15pm, Tuesday mornings and Wednesday evenings have a lot of dances in common so do feel free to take an alternative class during the week/s that your regular class is closed.

Keep your cool…..

We’ve experienced some tropical temperatures this month that’s for sure!

Thank you so much for continuing to come along to dance classes even when it’s hot. Your continued support means we don’t have to close any classes 😊

A good tip to help keep you cool is to roll up some damp flannels & put them in the freezer. Bring them to dance class with you, in a plastic bag and when you start to feel hot, unwrap them and use them to cool you down 😊

It’s best to take a tepid bath or shower after a hot dance class. Although a cold shower may seem more tempting, your body will generate heat afterwards to make up for the heat loss.

When the temperature gauge reached 310 in the hall at Kenley one Friday, we ordered a delivery of ice-creams! That helped!

Wishing you all a very happy summer!

Keep Dancezing!
