

DANCEZING NEWS

2018 - What a fabulous Dancezing Year it's been!

We have enjoyed lots of lovely dancing this year – with dance classes every day of the week, some evening, some daytime and for all levels, there's something for everyone 😊 Thanks to Carmen we have had cover for classes when I am away too. We have held a number of social nights throughout the year and two line dance weekend breaks as well as demonstrations at local groups and the Caterham Festival! Phew!

We wish you a restful Christmas break – time to put your feet up and re-charge your batteries ready for lots of fabulous dancing in 2019! Classes open from 7th January & our first social of the year is on 19th January. Tickets will be on sale at classes 😊

Looking forward to dancing through 2019 with you!

I'M NOT SURE IF THE
HAPPIER I AM, THE MORE
I DANCE,
OR THE MORE I DANCE,
THE HAPPIER I AM....
EITHER WAY, I'LL BE DANCING

2018 Christmas Party

It was fantastic to see so many people at our annual Christmas party. A great way to finish our Dancezing year with our fabulous Dancezing family. Lots of dancing, laughing, chatting and having fun together. We danced barn dances and circle dances as well as line dances to 'Christmas' themed music! We ended in our traditional fashion of Rita's Waltz, holding hands. You can see more photos on our facebook page 😊

CLASS PRICES 2019

Some of our hall hire prices have increased considerably during 2018 with further increases occurring in January. As a consequence it is necessary for our class prices to increase by 50p with effect from the beginning of January. I hope that you will agree that our classes are still great value 😊

You can still stay to more than one class during the same day/evening with no extra charge.

Feel free to 'mix & match' classes, e.g. if you can't make the beginner class on a Tuesday, feel free to join us on a Thursday morning instead etc. If you are unsure which class will suit you best, please feel free to ask me.

**ART
and
LINE DANCING
at DENBIES**

This year I was delighted to be able to visit Diana's art exhibition at Denbies and oh, what a treat!

Diana is very talented and produces many different types of works of art, painting different subjects, using a variety of styles & materials, and implementing different techniques.

As you can imagine, her work is bold and bright and an absolute feast for the senses.

If you didn't get a chance to go this year, keep an eye out for next year's dates – I highly recommend a visit! You won't be disappointed!

Throughout the year I have received photos and videos from people showing different places that they have line danced. Some of our dancers took an opportunity to practise their dances whilst at Diana's exhibition.

I love receiving these photos from all different places – please keep them coming as they make me smile and I would love to create an album of our club members dancing in different places around the country and the world.

2019 will mark the 10th year of Dancezing! How time has flown by, (as it does when you're having fun!)

Watch out during the year for news & stories relating to our Dancezing birthday as well social events and competitions to mark this special milestone.

**A day without
LINE DANCING
probably wouldn't kill me
But why
RISK IT?!**

Thank you so very much for all your support of my classes and events throughout the year. Thank you also, very much, for the fabulous cards, lovely messages and wonderful gifts that you have so generously given to me for Christmas! I have been overwhelmed! It's great to know that you enjoy your dancing so much 😊

Wishing you all a happy, healthy New Year and looking forward to dancing with you all throughout 2019.

Best wishes to you all,

Nicky xx
