

DANCEZING NEWS

As a way of showing my appreciation to you for your support of my classes and events throughout the year I would like to invite you to our Christmas Party ☺

I will provide some drinks and nibbles, (although donations would be gratefully received.)

We will have an evening of dancing and socialising, laughing and chatting.

Wear whatever you fancy – casual, sparkly, fancy dress – it's up to you!

There will be a list at classes for you to add your name if you would like to join me at the party or alternatively you can email me – nicola_zuaiter@yahoo.co.uk

I would like to have an idea of numbers so I don't get too much food and end up eating turkey sandwiches into the New Year!

Mon 25th November – Sunday 1st December 2019,

Just to let you know that I am returning to Denbies for one week starting on Monday 26th November with over 100 paintings and sketches. The majority of these are painted “in situ”.

This includes dancers, animals, life models and landscapes done “on the hoof”.

Special note - late opening on Monday 25th until 8pm when Denbies will be open with Christmas wine & goodies as well

I will be stewarding and doodling there for all of the week except for Friday afternoon when I will be face painting at Brockham Village School Fair hopefully raising lots of funds for the school. Colin will take over stewarding for me at Denbies.

## NEW CLASS TIMETABLE 2020

### New Beginner Classes

We have added some new beginner classes. We have been asked for an **evening** class for new beginners so we will be opening a class on Wednesday evenings from 15<sup>th</sup> January. Our lunchtime class for beginners in Warlingham has become very popular so to ensure the class does not become overcrowded we are opening a new class for absolute beginners on **Tuesday mornings** which is due to open in February, after half term. Please tell your friends about our new classes 😊

### Class Time Changes for Monday & Wednesday – Audley School, Caterham

The school are opening an ‘after school club’ in the New Year which means that the hall will not be available to us until the later time of 6.30pm. For this reason, Monday classes will have to start ½ an hour later than usual. We are sorry for any inconvenience but obviously this is out of our control.

Our current Wednesday class will start at the usual time of 6.45pm but will finish 15 minutes earlier than normal to allow for the new beginner class to start. We will return on 8<sup>th</sup> January, but the new beginner class will start the following week (15<sup>th</sup>)

**The timetable below is effective from Monday 6<sup>th</sup> January 2020**

## DANCES TAUGHT RECENTLY

### BEGINNERS

Lovely to welcome more new dancers to our beginner classes in Warlingham, Caterham and Oxted. Everyone has been picking up the routines really well.

We are teaching the same dances across our beginner classes so you can come to any class and be able to join in.

The latest new dance to be taught at Caterham on a Thursday and to follow at other classes is: [MD Honky Tonk choreographed by Willie Brown](#) (click on the title to watch the video)

We have been practising our 'Tango faces' with [Jo 'n Jo Tango](#) in some of our beginner classes and the dance is looking fantastic!

For details of our beginner dances being taught at Warlingham & Oxted, click on the following link where you will find tutorial videos and step sheets: [Beginner dances in Warlingham & Oxted](#)

For routines for both of our classes in Caterham on a Thursday morning, click on the following link: [Thursday morning classes – dances](#)

### BEGINNERS +

Our beginners on a Monday evening moved up a level to the beginner + / improver level class and have settled in well and are learning the more challenging routines.

To view our latest dances, including Senorita La La La and Train Swing, click on the following link. You will find step sheets and tutorial videos of the dances we have learnt recently:

[Monday 7.15pm class – dances taught](#)

### IMPROVERS & INTERMEDIATES

'**Gone West**' and '**Guetta's Party**' are two dances that have gone down well with our Monday & Tuesday dancers.

On Wednesday our latest dances are: '**My Mary**', '**Floor It**' and '**Sunrise**'

At our intermediate class on Fridays we have been learning some fab new dances, our latest being '**Chicago Gold**' which is coming on a treat, as well as '**Work Done**' – we have had fun with the armography, '**Moves**' and '**3 To Tango**'

[To see our latest intermediate dances click here](#)

*Details of all of our dances can be found on the Dancezing website - <http://dancezing.co.uk>*

*Pop the name of the dance in the search bar and the step sheet and videos will come up.*

*There are so many dances choreographed each month, it's a hard job trying to select ones that I hope everyone will enjoy. I constantly have a list of potential dances as long as my arm – if only we had more hours in the week to be able to dance more of them 😊*

**Important Notice**

**Audley School Entry for Monday & Wednesday Classes**

The entry system at Audley School has been changed for security reasons. We are no longer able to override the locking system for the front gate.

If you arrive to find the gate is locked please press the button on the key pad labelled 'just like home'. This will buzz through to the hall where I am teaching & I will open the gate as soon as I am able.

If you press the button labelled 'Audley School Reception' I will not be able to hear you.

If all else fails, please call my mobile no.

**COMING SOON**

Some of you noticed that we have a date for a weekend break next October and are keen to sign up.

I have to pay a deposit to secure the hotel a long way in advance because they get booked up very quickly, and I know that you have busy diaries so I mentioned the date for you to bear it in mind.

I will be sending out full details of the weekender along with booking forms very soon – watch this space.....

*Temperatures have plummeted recently and it feels very wintry. It must be very tempting to stay at home under a cosy blanket with a warm cup of hot chocolate so I really appreciate you coming out in the cold to join me on the dance floor.*

*We know that the best way to stay warm is to dance, dance, dance!*

*It's also a great way to keep fit and to notch up our recommended daily step total of 10,000*

*Your support of our classes throughout the year is helping our dance club to survive 😊*

*It has been wonderful to see some of our dancers who have been in our beginner level classes taking the step to move up a level and are doing really well. All of our Monday evening beginners moved up to the beginner + / improver level class and have taken on the new challenge with big smiles and enthusiasm.*

*We have been joined by a lot of new beginners in our daytime classes at Warlingham and Caterham and it's great to see that people are still keen to learn to line dance. The atmosphere in the classes is amazing. I am delighted that a group of our beginners are also joining us at our weekend break in March.*

*Our Friday intermediate class have been challenged with some 'armography' recently as well as a couple of 'advanced' level dances and have picked them up really quickly. We have all come a long way together.*

*We have such amazing people in our dance club and it's wonderful to see everyone getting so much enjoyment out of line dancing, just as I have for so many years. It's not just the dancing but the fun and friendship that comes with it.*

*Thank you to each and every one of you for your continued support of our classes.*

*Keep smiling and Keep Dancezing.*

*Nicky xx*
