

DANCEZING NEWS

January Line Dance Social Night

On Saturday 18th January we kick started our new dancing decade with a line dance social night! It was great to see such a great crowd and there was a fabulous atmosphere. We danced requests all night long, with a brief interlude for tucking in to scrummy ice-creams, compliments of Diana & Colin King. Thank you SO much – didn't they go down a treat?!

Welcome
May all who came as guests
leave as Friends

Dances

We danced a mix of dances suitable for all levels so everyone had the chance to get up and dance! We had a few floor splits too – a beginner dance at the front of the hall and an intermediate dance at the back, being danced at the same time – which was brilliant.

Line Dance Social Night

Tickets are now on sale for our next line dance social night. We will be holding a raffle to raise funds for The British Heart Foundation. There will be a chance to win a voucher for 5 free line dance classes, along with other prizes. We will also sell raffle tickets at classes nearer to the time so that you can still enter the draw even if you aren't able to make it to the social.

There will be dances for all levels including new beginners.

Theme: wear something red or with hearts (optional)

We hope to see you there ☺

**to all our new
beginners**

We have been so pleased to see new beginners joining our classes and to receive such positive feedback from them.

We have classes in Caterham, Warlingham and Oxted suitable for new beginners.

We hope you enjoy learning to dance with Dancezing

Each week I will send an email with a link to a post on our website detailing the dances that have been taught. If you haven't received emails from us, please check your spam folder or let me know.

This month our new beginners have been learning the difference between weight bearing and non-weight bearing steps (such as kick, flicks, touches, hitches etc) as well as shuffles, grapevines, jazz boxes and Monterey turns!

It's not too late for new beginners to join our classes so please spread the word to any friends who you think might enjoy line dancing.

What if I fall? Oh, my
darling, what if you fly??

Don't forget to send me your dance requests if you haven't already done so.

January has been a good month as it's been great to see you all starting the New Year, and indeed, new decade, with such enthusiasm for line dancing. For those of you who have been unable to join us due to illness, we wish you a speedy recovery & look forward to seeing you on the dance floor very soon xx

I know how difficult it is to venture out in the winter, especially when it's cold and dark outside so I appreciate you coming out to join me on the dance floor. Thank you!

Fingers crossed we won't be troubled by snow, however, if we are please keep an eye on our facebook page or check your emails for class cancellations. If in doubt, please feel free to call me before heading out to class.

Keep warm, keep Dancezing!

Nicky
