SPRING IN YOUR STEP

I have so enjoyed seeing and smelling the bluebells in the woods during my early morning dog walks. There are so many delights for our senses to feast upon at this time of the year.

I had some plants delivered the other day.

The selection available was a bit limited but I bought some lovely bright geraniums to add a splash of colour. This of course means that it will probably rain now for the next 3 months! ;) Be warned!

NOTHING CAN STOP LINE DANCERS!

Even more of you have now joined our Dancezing Line Dance Group which is brilliant. We now have 161 members in the group! We had a record number of dancers join our last virtual line dance session.

Above is a picture of David & Christine dancing to 'Stand Up & Boogie' in their living room, with me on their television!

We have not allowed social distancing to stop us from line dancing!

If you would like to join our Facebook group, but need some help, please message me and I will happily help you to set up.

One of our dancers has created her own dance floor out of plywood so she doesn't have to dance on carpet!

DANCEZING ONLINE

I will continue with our virtual line dance sessions, (every Monday & Thursday @ 3pm), for as long as I can. Videos of these sessions will be uploaded, whenever possible, to be accessed at any time by all Dancezing members via a link. I will make additions to our library of tutorial videos - feel free to let me know if you have any specific requests.

I am hoping to make some pre-recorded 30 minute sessions that can be accessed by you, each session being specific to beginner, improver and intermediate. This way our FB live sessions can be more like mini socials with a mix of dances for all levels. Keep an eye out for these. (It takes quite a bit of time to make the videos, render, compress & upload so bear with me).

I have a couple of other things up my sleeve to keep you entertained during lockdown, however, let me know if you have any requests or ideas.
