# back on the dance floor!

## DANCEZING NEWS

Our classes are beginning to open for those who want to get back on a real dance floor! Further details in this newsletter...

It was a fantastic feeling on Tuesday for me to actually 'see, some of my lovely dancers & experience the delight of being back on a proper dance floor! Just amazing!

Online 'virtual live' sessions will continue for the foreseeable future too.

## PRE-BOOKING ESSENTIAL

As we are following social distancing guidelines in our classes, spaces are limited, so it is now necessary to pre-book all classes. Unfortunately, it is no longer possible to just turn up. I am trying to ensure that everyone gets an opportunity to dance, so if a class you wish to attend is full, you will go on a waiting list & also have priority for the following week.

**Important  
Notice**

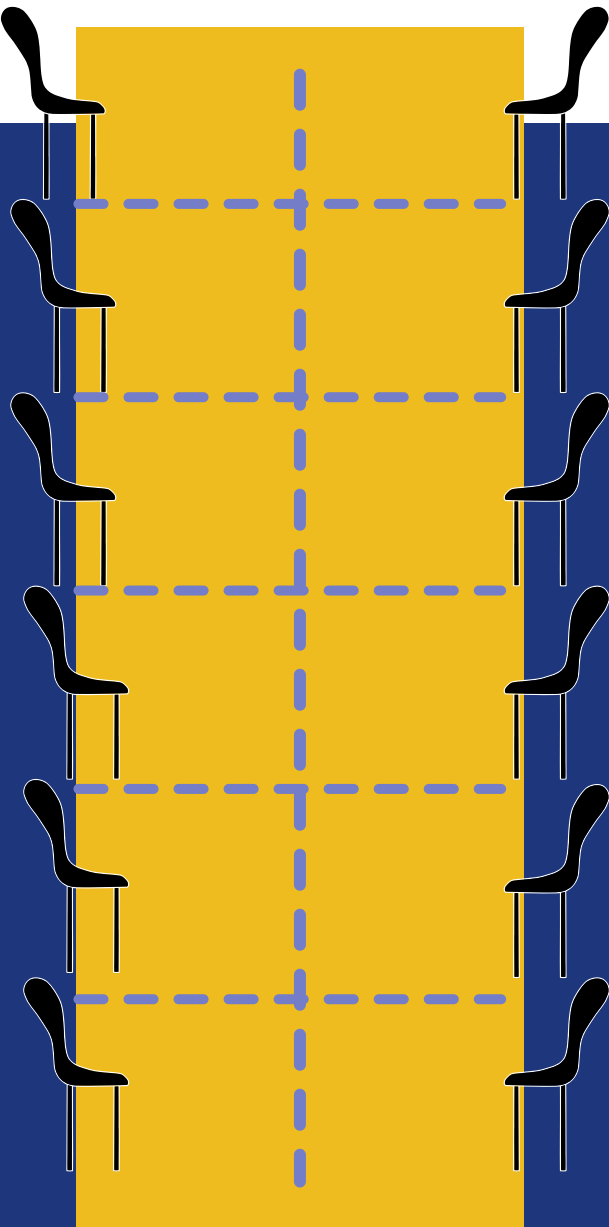

## PRE-BOOKING CLASSES

Please keep an eye out for emails announcing that pre-booking is open for a class.

Booking is not done on a first come first served basis as I am trying to ensure that everyone gets a chance to dance.

This may mean that you won't be able to dance every week.

I am trying to open more classes to increase availability - however, I only have one pair of legs (over half a century old!) & limited energy. I will do my best to ensure everyone gets a chance to dance

On Tuesday morning, we opened our first real live dance class since lock down began. Everyone was socially distanced, with their own chair which had been sanitised and their own space to dance in. Hand sanitiser was available to use upon entry & exit. All common touch points had been disinfected.

Everyone felt a little apprehensive at first, myself included, however, once we started dancing, the nerves soon passed and before we knew it we were having a great time dancing together on a proper dance floor. (Well, I was on the stage so everyone could see me).

I received fantastic feedback from the classes and I am looking forward to the re-opening of more :)

# DANCEZING ONLINE

## LINE DANCE - VIRTUAL LIVE SESSIONS

Our virtual live sessions will continue for as long as there is demand for them, so please don't worry if you're not ready to get back to a real dance floor just yet.

We are of course at the mercy of technology which can be wonderful when it's working & rather frustrating when it's not, as we found out this week.

Sadly, I had no internet connection on Monday so was unable to hold the session.

We had a short spell on Thursday when I was 'freezing', (not literally, in fact, the opposite!)

however, we persevered and after 15 minutes or so we were able to continue without problems, thank goodness!

Don't forget that there are plenty of dance tutorials too and I will be adding more...

YOU ROCK!

## SALSA SOLO - ONLINE TUTORIALS

I will be uploading more salsa solo tutorials soon.

There are currently 14 units available and they can be accessed at any time, so feel free to repeat previous units.

Practice is key ;)

## QUIZ NIGHT - WEDNESDAY 26TH AUGUST - 7PM

We are holding our sixth quiz next week and hope you can join us for some more brain challenging fun! Who will be our next champion/s?

At the slightly later time of 7pm (so you have time to eat your supper & limber up your grey matter)
