DANCEZING NEWS

Our live classes have been going really well. As more of our dancers are keen to get back to the dance floor it has been difficult to find a space for everyone due to the limit on our numbers. For this reason, I am temporarily adding a couple of extra classes on a Tuesday in Warlingham in order to try to ensure that everyone who wants to, gets a chance to dance.

NOVEMBER CLASSES

Spaces in November classes have now been allocated. If you have to cancel your slot, please let me know as soon as possible as there are waiting lists & I may be able to offer the space to someone else.

As soon as you have requested a space and you have received confirmation, a non refundable payment is due.

Advance block payments can be made for either 5 or 10 classes. As soon as your space is confirmed, your payment balance will be adjusted accordingly.

Towards the end of November I will open up bookings for December classes.

All of our classes are Covid-19 secure.

Each person is allocated their own socially distanced space to dance in.

All chairs and touch points are cleaned between sessions.

The halls are well ventilated.

GUIDELINES

In order to be able to enjoy real live classes it is important that we follow government guidelines. Please note the following:

REMEMBER!

- Do not come to class if you are unwell or if you have, or anyone you have had contact with has, symptoms of COVID-19
- Wear a mask while entering and exiting the building and at all times except when dancing.
- Follow social distancing guidelines at all times, including upon entry and exit of the building
- Familiarise yourself with and follow the one way system for entry and exit at our venues
- Wash / sanitise your hands upon entry and exit of the hall. Hand sanitiser is available.
- Bring your own drink & remember to take your bottle home with you. There will be no access to the kitchen

- Chairs and dance spaces will be spaced according to social distancing guidelines. Please stand in the space opposite your chair, between the dots.
- Current Government advice is that there is no need to wear a face covering if you are undertaking exercise or an activity & it would negatively impact your ability to do so, therefore you may remove your mask while dancing.
- No singing or shouting
- The hall will be well ventilated so remember to wear layers.
- If you have the NHS Covid-19 app on your phone please scan the hall's QR code which you will find on a poster in the entry hall.
- Ensure that I have up to date contact details for you as I must keep these details for track and trace purposes.

Although it is important that we follow guidelines to ensure our safety, this will not spoil our enjoyment of our dancing.

LINE DANCE - VIRTUAL LIVE SESSIONS

During November there will not be a virtual live session on Mondays. We have a lot of pre-recorded sessions now so there is plenty of choice if you would like to continue to dance at home.

I will continue to join you from my kitchen on Thursdays at 3pm

In order to join the virtual live sessions and have access to the pre-recorded sessions, you will now need to subscribe. There is a small monthly subscription fee.

We find ourselves in uncertain times and if it becomes necessary to close our live classes then I will increase the number of virtual live classes again to ensure that we are able to keep dancing.

QUIZ NIGHT - BACK BY REQUEST

Sadly, our spooktacular dance weekend and our spooktacular social were unable to take place, however, we can have a spooktacular quiz instead! Feel free to dress up if you want ;)

Friday 30th October at 8pm
