DANCEZING NEWS

Our virtual live classes have been going really well. Thank you to those who have joined me in my kitchen twice a week.

It's not as much fun as dancing in a real live class but at least we get our dance fix and we do still have a giggle and some banter thanks to the 'chat box' facility.

NOVEMBER DANCING

Having taken quite some time to put together a time table for November and allocate spaces to everyone, we found ourselves going into a second lock down! We were disappointed but not surprised. We are in a time where we have to accept and adapt.

So, back to the 'kitchen dance floor' I went!

This time, I decided to bring back some dances from the past - for some, they would have been a 'blast from the past' and for others, brand new dances. We have plenty of recorded sessions of our regular dances, so I figured that some variety would be fun. I'm pleased that this seems to have gone down a treat!

oh what
FUN

QUIZ NIGHT - 21ST DECEMBER

We have a real treat in store on the 21st December because Mark & Claire are putting together a quiz for us!

I am really excited because instead of being the host, I will be able to take part instead. Never fear, I don't think there's much chance of my name being put on our quiz trophy!

I hope that quite a few of you will be able to make it, because sadly we aren't able to have our annual Christmas party this year, so it will be a great opportunity for us to see each other and have some festive fun.

I will send out more details nearer the time.
