## DANCEZING

Sadly on the 11th December our social night didn't go according to plan. Instead of spending the evening dancing, I found myself in the back of an ambulance. **OH!**

So our Dancezing year didn't end quite as expected.

Lo and behold, it didn't begin the way we expected either! **OH!** Our first class being cancelled as I was waiting for the result of a PCR due to a confirmed case of Covid in my household.

As they say "things can only get better"

# DANCEZING

Some of our Dancezing family have been or are currently unwell with Covid and I send my best wishes to you and hope that you are soon feeling 100%

Also thinking of all of you who are unable to dance at the moment for one reason or another. Try to keep smiling and know that your space on the dance floor is waiting for you whenever you are ready to return. Thinking of you all xx

As we know, in the present climate, plans can change at a moments notice, so please do check your emails before heading out to any of my classes or events, just in case I have had to make a cancellation. The easiest way for me to contact people is via email. If you haven't signed up to our emails or you have changed your email address, let me know so I can add you.

## Congratulations

Congratulations to Carmen, Alan & Thomas on the safe arrival of baby Alice. Isn't she gorgeous?

She arrived a full month early, weighing in at a tiny 4lb 10oz. She didn't have to go to the special care unit and stayed with Carmen the whole time. Carmen and Alice are both doing well and Thomas keeps holding her hand!

Thank you so much for the lovely cards, gifts and messages that you so kindly gave to me at Christmas. I was overwhelmed! I am lucky to have such lovely people in my classes!

I hope that 2022 is a great year for each and everyone of you, filled with good health, much joy and of course, lots of lovely dancing!

xx
