## DANCEZING

We had a great night on Saturday 21st May at our well attended, 'bright & beautiful' themed, social night.

It was great to see some of our new beginners there, enjoying themselves on the dance floor.

I love the photo which proves that men can dance and not only that, but they're not afraid to be in the front row! Go boys!

We had a lot of fun. If you would like to see the highlights, watch our video by [clicking here](#).

# SOCIALISE-ZING & SOCIAL NIGHT

Our next social night is to be held at Caterham Community Centre on the 16th July.

The theme is 'on the wild side' so feel free to interpret this any way you like

Fancy dress is optional.

There are limited spaces & tickets must be purchased in advance at a cost of £10

There will be dances for all levels & non dancers are also welcome.

It's the perfect time to put into practice the dances you have learnt, watch other dancers & routines and socialise. Let me know if you would like to book a space.

Who could turn down the chance to chat and eat cake?! Two of our favourite things to do, (apart from line dancing which is our most favourite, of course).

It's so tricky to catch up with each other at classes, plus it would be lovely to see some of our friends who are unable to dance at the moment.

The cost is £10 for tea, coffee & cakes. I've sampled the cakes (it's a tough job, but someone had to do it!) I can highly recommend. Please reserve your space before the 13th July because I have to confirm final numbers to the golf club.

Surrey National Golf Club is located on Rook Lane, Chaldon, CR3 5AA - it's a beautiful setting and there is plenty of parking.

All dancers:

If you are looking for a challenge and feel ready to step up to the next level, please do let me know. Again, I will be happy to advise you.
